

Wire instructions to receive a wire transfer

Receiving Bank: Banker's Bank of the West
1099 18th St., Suite 2700
Denver, CO 80202
Routing Number: 102003743

Beneficiary Bank: Bank of Estes Park
255 Park Lane
Estes Park, CO 80517
Account number: 107001326

Further Credit To: Bank of Estes Park customer name and account number

Account name and number must be referenced on the wire, or the wire may be delayed or returned to sender.

Account name and number must match the information on the account with the Bank of Estes Park.

How to do a wire transfer

Bank of Estes Park customers must visit a branch to initiate a wire transfer.

All wire transfer requests need to be initiated in person. This requirement reduces incidents of fraud and identity theft.

The sender will need to provide:

- A government issued form of identification (driver's license, passport)
- Amount of money to be transferred
- The sender's address & phone number
- The sender's bank account number
- The recipient's full name
- The recipient's physical address
- The recipient's bank account number
- The recipient's bank name and bank address
- The recipient's bank routing number (or SWIFT code for international wire transfers)

Wire transfer fees

- Domestic transfers \$25 outgoing/ \$10 incoming
- International transfers \$50 outgoing/ \$15 incoming
